

Thoracic & Gastrointestinal
nurse navigation
 for your cancer patients

[For Questions and Appointments](#)

Thoracic Nurse Navigation: Allyson Remon, 315/663-5124 or email: aremon@hoacny.com

WORKING WITH YOU TO PROVIDE THE BEST POSSIBLE OUTCOMES

Oncology Nurse Navigators (ONN) offer individualized assistance to your patients throughout the cancer care continuum (prevention, screening, diagnosis, treatment, survivorship and end of life) in order to:

- improve time to diagnosis
- increase patient satisfaction
- reduce time to initial cancer treatment
- enhance cost efficiencies

Thoracic and Gastrointestinal Oncology Nurse Navigation is for patients with suspected or confirmed cancer in the following areas:

Thoracic

esophagus lung
 trachea thymus
 chest wall

Gastrointestinal

colon liver gallbladder
 bile duct pancreas appendix
 small bowel rectum/anus stomach

NURSE NAVIGATOR GUIDING YOUR PATIENT THROUGH THEIR CANCER JOURNEY

- ✓ Addresses patient needs: financial, transportation, cultural, social/emotional, spiritual and informational
 - Barriers are tackled either on-site or through referral to community based or national organizations.
- ✓ Coordinates all appointments in a timely manner
- ✓ Provides recommendations/referrals to social workers, dieticians, outreach services and support groups
- ✓ Educates patient and their loved ones about the disease, treatments, side effects and self-supportive care
- ✓ Contacts patient after each treatment to thoroughly assess how they feel and offer symptom management
- ✓ Helps bridge any communication gaps between patient and their providers
- ✓ Tracks results of patient appointments and meets with patient regularly

HOA ONCOLOGY NURSE NAVIGATOR

Available in each of our clinical offices - East Syracuse, Onondaga Hill and Auburn – our ONNs are Oncology Certified Registered Nurses with extensive cancer care experience. Current in all oncology treatment modalities, our ONNs also are certified in Chemotherapy and Biotherapy administration.

Allyson Remon, R.N., M.S.N., O.C.N. is our Thoracic Oncology Nurse Navigator working with our medical oncologist: Aref Agheli, M.D. and thoracic surgeon: David Wormuth, M.D.
